SECTION
FILE No. 6 - 13
SERIAL No. 3

OFFICE OF THE
REGISTRAR OF CO-OPERATIVE SOCIETIES
IN MYSORE.

Dated Bangalore 15th November 1913.

From

M.A. Narayan Ayangar, Esq., B.A. B.L.,
Registrar of Co-operative Societies in Mysore,
B a n g a l o r e.

To

C.S. Balasundaram Iyer, Esq., B.A.,
Secretary to the Government of His Highness the
Maharaja of Mysore,
Departments of Education and Agriculture,
B a n g a l o r e.

Sir,

I have the honour to acknowledge the receipt of your letter No. Fl.1008/B.8-13-2 dated the 20th August 1913 and a reminder No. Fl.2009 dated 5th November 1913.

2. There is a well-conducted weaving Co-operative Society at Kommerhally. The weavers are about 30 families of Panchamas. They have all joined the society, the membership being 43 at the end of June 1913. They had then collected nearly Rs.1,200/- as Share Capital, which has since increased slightly. They have supplemented this capital by a loan of Rs.250/- from the Government and a loan of Rs.1,000/- from the Director of Industries and Commerce.

3. The latter officer has stationed a Demonstrator at the village these four or five months, who has been teaching them

them the use of Fly-Shuttle Looms. About 30 Fly-Shuttle looms have been purchased by the villagers. The Director of Industries and Commerce has also taken steps to supply them with cheap yarn and find a ready market for their extra produce.

4. I believe that the petition of the members of the Co-operative Society is only to emphasise their request as stated in the concluding paragraph of the petition that a particular piece of land viz., survey No.121 of Kommerhally which they require for a weaving shed be acquired for them through the Government and that a building grant be given them for putting up a weaving shed. I send enclosed a copy of my letter No.762 dated 29th December 1912 addressed to the Deputy Commissioner Mysore District, recommending to him the grant of the land wanted by the Society. I believe the Deputy Commissioner is taking steps to acquire the land for the use of the society. Similarly, I hear from the Society that the Educational Department is likely to grant its prayer to build on this land a building suited for the installation of a few looms for weaving.

5. The village is not a great weaving centre. I do not consider the place suitable for the establishment of a Weaving Institute. But the Panchamas of the locality have shewn much enterprize and their prayers for the land and a building-grant, which is all they really ask for, are well worthy of the favourable consideration of the Government.

I have the honor to be,
Sir,
Your most obedient servant,

M. A. Narayanaswamy

OFFICE OF THE REGISTRAR,
CO-OPERATIVE SOCIETIES
IN MYSORE

From Cert. C. 3 Dated 29th December 1912.

M. Narayan Aiyangar. Esqre B.A.B.L.

Registrar of Co-operative Societies
in Mysore

To

The Deputy Commissioner
Mysore District

Sir.

I have the honor to state that the Panchama Co-operative Society of the Komerahalli Village, Maudya Taluk intends to build a ~~school~~ house for the benefit of the locality, and has applied to the Amildar of the Maudya Taluk for the grant of Survey No 121 of Komerahalli The land in question measures 1ac and 9 guntas and is required for building the proposed School.

The Society was registered on the 23rd July 1912 and is intended primarily for the benefit of panchams and Consists at present, of 36 members who have taken up 386 out of a total of 500 shares authorised to the Society. The Value of each share is Rs 10/ payable in easy instalments of 4 annas a month. The Share amount Collected upto the end of 11th November 1912 is Rs 558/- of which Rs 310/- has been advanced on yarn, Rs 65/- on cloth, and Rs 100 in small loans.

Before the registration of the Society in July 1912 the people applied to the government for a grant for building a school and for a monthly grant towards its maintenance. But after the registration of the Society the

members held a general meeting
on 20.10.1912 at which they resolved
to open a subscription list for collecting
funds for building the School. A
sum of Rs 410/- has promised on the
list payable in 8 instalments of which
1st. first one of Rs 50/- has been received.

The building when completed
will be used Not only as a School
but also as a central place of
business for the Inhabitants of the locality

The object is, I am of
opinion, a very laudable one
and the people are actuated by
a genuine and earnest desire
to improve their condition. Under
these circumstances I therefore strongly
recommend the grant of the Land
applied for by the Society.

I have the honour to be

Your most obedient Servant
